LED Lighting

LED lighting is the newest and most energy efficient way to bring out the dramatic beauty of your water. With a variety of options we give you the ability to offer long lasting lighting for any decorative water. Color options abound to sculpt the water and landscape with light.

LED EggLites

The LED EggLite offers a compact lighting option that operates wet or dry. They come in four color options and can be powered by the sun using the optional solar panel. Up to 12 will fit on the plug in transformer and six lights will power on the solar panel.
